## Fully Vaccinated Individuals

### Foreign Nationals:
- Negative RT-PCR test shall be required to be taken within 72 hours prior to departure from the country of origin.
- Upon arrival, no facility-based quarantine and no on-arrival RT-PCR will be further required.
- The passenger is enjoined to self-monitor for any symptoms until the 14th day with the first day being the date of arrival.

### Filipinos:
- Facility-based quarantine with on-arrival RT-PCR testing until the release of their negative results. After which, the individual is enjoined to self-monitor for 14 days;
  - OR
  - When a negative RT-PCR test was taken within 72 hours prior to departure from the country of origin, no facility-based quarantine, and no on-arrival RT-PCR test is required.

## Unvaccinated Individuals, Partially Vaccinated, or Vaccination Status Cannot Be Independently Verified

### Fully Vaccinated Individuals
- Negative RT-PCR test conducted within 72 hours prior to departure from the country of origin will be required.
- Upon arrival, they shall undergo facility-based quarantine with an RT-PCR test taken on the 5th day, with the date of arrival being the first day.
- Regardless of a negative result, they shall be required to undergo home quarantine up to the 14th day from the date of arrival.

### Filipinos:
- All arriving travelers shall undergo a 10-day facility-based quarantine upon arrival with an RT-PCR testing on the 7th day with Day one (1) being the date of arrival.
- Notwithstanding a negative result, the arriving traveler shall complete the minimum facility-based quarantine period of 10 days.
- Upon the completion of the mandated 10-day facility-based quarantine and presentation of a negative RT-PCR result, they may be discharged from the facility.

*Only Filipinos returning to the country via government-initiated repatriation, non-government-initiated repatriation, and Bayanihan Flights are allowed entry to the Philippines.*

## Minors

The testing and quarantine protocols of minors shall follow the testing and quarantine protocols of the parent/guardian traveling with them, regardless of the minor’s vaccination status, and country of origin.
